

Shiplake Village Bowling Club invites you to join us and take up an enjoyable sport and social activity

Bowling is for all ages

Bowling can be family fun, a social activity, or a competitive sport - it's what you make it. Join those of us who have taken it up and found friendship and an absorbing pastime that provides plenty of exercise in the fresh air.

New members are especially welcome

Children (over 10) can join with their parents or grandparents. Free instruction is available from qualified coaches. The rudiments of bowling can be grasped in just a few sessions.

Full programme throughout the season (late April to late September)

There is activity on the green most afternoons and evenings. Matches (some friendlies, some in local leagues) are played against other bowls clubs in the area. At other times members can have a roll up (practice) or complete a round of one of the club competitions. After a session on the green what nicer way to finish the day than sitting on the patio with a drink.

Where is Shiplake Village Bowls Club?

We are tucked away behind the tennis club, just off Memorial Avenue with superb facilities including a spacious club house with a bar, garden patio, a fine green and surrounds.
